

# Myddle school rugby tournament

On the 9.10.19 Myddle went to a rugby tournament at the Corbet.

At 9:15 we set off to Baschurch (where the school is) however when we got there, Harvey had forgotten that his boots were still on the bus!!! He had to play in trainers. After a warm up, which we conducted ourselves, we went head long into our first match which was against the dreaded Baschurch. We lost that match 4-2.

Next we played a game vs West Felton. Joyfully, we won this match 4-0.

Toby -an outstanding player- reported "It was a good game and we tried our best; also we managed to get the win. More on, I ( and the rest of the team ) really enjoyed it. I hope I can play the match again."

We played a lot more matches, then we were told that we were going to play the best team in the tournament. Nesscliffe!!! It was a very close match and at the final whistle it was 3 all however in rugby you always play till the ball goes out so they went full pelt

Above, the team photo.

and scored the last try. It was SO annoying.

Sophie, who was one of 4 girls on the team, stated "It was good and the refs were nice. The teams had very good sportsmanship and I really enjoyed it."

Right now, Baschurch and St Andrews are getting ready for the next round and we are all resting.
