Weekly Writing Tasks	Weekly Maths Tasks- Addition and Subtraction
Monday- Visit the Literacy Shed for this wonderful resource on The Clocktower	Monday- Watch this addition video and this subtraction video , which revise the column method. Generate calculations to practise at home.
Tuesday- Tell your child to imagine that they are famous. What would they be famous for? Can they write a diary entry recounting the day's events in role?	Tuesday- Challenge your child to use the Subtraction Grids to see how many calculations they can solve correctly in 2 minutes.
Wednesday- Ask your child to find out when the NHS began. Who was the founder ? Encourage them to compare the NHS then and now. Can they represent information on a timeline or in an information booklet?	Wednesday- Ask your child to think about these questions: What calculations can you create using the numbers 127, 111, 200, 28 and 65 ? Will you use subtraction, addition or both? Can you find the inverse to the calculations you write?
Thursday- All famous people should earn £1,000,000 per year . Does your child agree/disagree? Ask them to have and write a discussion on this statement.	Thursday- Are these number sentences true or false? 597 + 7 = 614, 804 – 70 = 744, 768 + 140 = 908, 907- 669= 238, 872- 109= 108=. Give reasons.
Friday- Ask your child to use the words FAMOUS PEOPLE to write an acrostic poem about significant people in history.	Friday (other)- Get your child to revise calculations using all four operations

Learning Project - to be done throughout the week

The project this week aims to provide opportunities for your child to learn more about famous or significant people. Learning may focus on past or present inventors, explorers or scientists and how they influence society today.

- **Famous Fact Find** - Find out about one or more [Famous British People here](#). Ask your child to decide how they would like to present the information they have discovered. This could be a slide show, a poster or an information report about them. Can your child create a true or false quiz about their chosen person and test it out on the family during a games night?
- **Healthcare Heroes** - *As the NHS plays such a significant role in our lives, ask your child to represent our amazing NHS staff with their own piece of artwork. This could be a painting, collage or even a [collectable stamp](#) of a famous medic e.g [Florence Nightingale](#), [Mary Seacole](#) or [Aneurin Bevan](#). Remember to tweet a photo of their artwork [#TheLearningProjects](#).*
- **Sport Superstar** - [Watch](#) an interview with Rod Ellingworth, a famous, British cyclist. Then go for your own bike ride as part of your daily exercise. Don't forget to wear your helmet. No bike? Then take a walk and look out for any cyclists you see. **Recommendation at least 2 hours of exercise a week.**
- **Family Matters** - As a family, discuss the famous people that may have had an impact on their lives and the choices they have made about the jobs they have chosen. Talk about who has inspired them and why. Your child can create a family tree that illustrates inspirations and choices.
- **Religious Role Models** - Ask your child to find out about significant religious people, like Jesus, Moses, Muhammed (pbuh), Guru Nanak or someone else who is important to your family. What do they notice about these people? What is similar about them? What is different? [Help!](#) Record the similarities and differences in a table format or make a Religious Role Model mini-book.
