Weekly Newsletter – No. 9

IN THE NEWS

Happy New Year!

We would like to start our Myddle Mail this week by wishing you all a very happy new year. We hope you all had a lovely Christmas break and had plenty of time to have some family fun as well as time to relax and rest.

The children have certainly had a lovely time and have come back to school full of excitement with stories about their Christmas highlights. Although they have been excited to be back at school, they have settled really well back into their classes and have been working hard already this week.

A Warm Myddle Welcome

We would like to take this opportunity to welcome Mrs Nicky Fox as our new school administrator. She has settled in really well during her first week with us and has been very busy already getting to grips with all our routines and procedures. Please call into the school office and introduce yourselves so she soon feels part of the Myddle community.

SCHOOL UPDATES

Friday 2nd February – NSPCC Number Day

We will be inviting children to wear something related to number on Friday 2nd February. This could be a numbered football kit or you could be really creative and represent a number through fancy dress! As well as dressing up, the children will take part in lots of maths activities and investigations to help promote maths and raise money for the NSPCC (PE sessions will still go ahead although activities will be adapted in line with what the children are wearing).

Thursday 7th March - World Book Day

This year we are having an animal themed day. This means the children can come to school dressed as an animal or anything animal related e.g. a Zoo Keeper. During the morning, we will be focussing on fictional stories including animals, while in the afternoon we will be using non-fiction books to study the endangered animals our classes are named after.

★ STARS OF THE WEEK ★

This week, our star awards go to the following children:
