IN THE NEWS

Highlights of the week

Snow Leopards

This week, the nursery children have been learning about the story of Jack and the Beanstalk. They have been making beanstalks out of cubes and then comparing their heights using the language biggest and smallest.

Panda Class

In Panda class, the children have been studying a story called 'Room on the broom' by Julia Donaldson. In their drawing club sessions, they have been designing their own broomsticks and exploring language and word choices from the story. They even made their very own broomsticks in Forest school.

Tiger Class

Tiger class have been learning about character description through the story of Little Red Riding Hood. They learnt how to draw a wolf in detail to look closely at their features and help them with their description.

Rhino Class

This week in Rhino class, the children have been writing creative setting descriptions linked to their class book, 'The Tin Forest'. They even designed and described their very own tin forest.

Jaguar Class

In Jaguar class, children have been learning how to code using our new 'Micro Bits'. A micro bit is a small microchip sized computer containing a speaker and 25 small LED lights. Using the 'Makecode' software, the children were able to make them show scrolling messages and play music. Some children even managed to programme them to become a digital dice.

SCHOOL UPDATES

Morning Drop off

The entrance gates are open between the times of 8.45am and 9am for pupils to be dropped off at school. Our official start time at school is 9am and our attendance registers need to be completed by this time. If you arrive after 9am, and the gates are closed, please take children round to the school office so they can be signed into school and the registers can be updated. If your child arrives at school after the registers have been completed, they will receive a late mark.

The Dogs Trust

This week, our KS2 children in both Rhino and Jaguar class took part in workshops held by The Dogs Trust organisation. In order to help keep themselves safe around both familiar and unfamiliar dogs, the children learnt lots of information about dogs and their behaviour.

★ STARS OF THE WEEK ★

This week, our star awards go to the following children:

Snow Leopards	Nursery: Elijah	
Panda Class	Reception: Amber
