THE MYDDLE MAIL

Weekly Newsletter – No. 11

IN THE NEWS

Highlights of the week

Snow Leopards

This week, the nursery children have been tasting porridge. They have been adding different ingredients such as jam, maple syrup, apples and bananas to see how it changed the taste. This was all linked to their work on Goldilocks and the Three Bears.

Panda Class

In Panda class, the children have also been learning with porridge but this time in their maths lessons. They were able to get their hands really messy while using the porridge to measure the capacity of different containers. They had great fun!

Tiger Class

This week, Tiger class have been really impressed by the quality of work that has been brought in so far for their Geography homework project. Thank you for all your support with this at home.

Rhino Class

In Rhino class this week, the children have been learning about each other in PSHE. They were able to have an open and respectful discussion about their similarities and differences and as a result, have a much better understanding of how to support each other at school.

Jaguar Class

In Jaguar class, children have been really engaged with their history work on World War 2. This week, they learnt all about rationing and the impact this had on people and families. I think they found it hard to believe just how little food there was to share around and we don't think any of them would want to face the rationing of food any time soon!

SCHOOL UPDATES

Number Day

Next Friday, 2nd February, we will be taking part in the NSPCC Number Day 2024 where we will 'Dress up for Digits' and have a fun-filled day of maths activities and games, while raising money to support very important NSPCC services such as **Speak out Stay safe** and **Childline**. Donations can be made via the following link: [JustGiving](https://www.justgiving.com/NSPCC-Number-Day)

Children will be able to dress up in a Maths related outfit, which can be as simple or as intricate as you would like. For the day, we will join together in sports houses and rotate around different activities in each class. PE lessons will still take place.

Family Worship Invitation

You and your family are all invited to attend a special worship, 11am, Sunday 28th January at the church in Myddle. See poster below for more details.

Upcoming PTA Event

Come to the Valentine Disco on Wednesday 7th February. See poster below for more details.
