IN THE NEWS

Parents Evenings

Parents Evenings will be taking place on Tuesday 19th and Thursday 21st March. **The booking system is now live** on the school website for you to make your appointments. [Click here](#) to book appointments.

Again, this term, appointments with each member of staff will take place in the hall. Each appointment is strictly 10 minutes and we need to stick to this rigidly to make sure each evening flows and everyone remains on time. A bell will ring to signify the start and end of each appointment and a list of appointment times will be displayed in each class to help you keep on time. There will be time for you to have a look at workbooks in the classrooms either before or after your time slot. I will again be on hand to coordinate each evening to ensure things run as smoothly as possible.

Thank you
Mr Glover

Resources Needed

In Design and Technology, this term, **Jaguar class** pupils will be making structures; designing their very own marble runs. For this, they will need many cardboard tubes and cardboard. If you have any spare and are able to help, could you please send them into school at your earliest convenience. Thank you

SCHOOL UPDATES

Considerate Parking

The school has been contacted by a number of local residents recently in regards to some of the parking of cars at morning drop off and end of day collection. Please can you ensure that you park considerately, making sure that no driveways are blocked and the entrance to the village hall is clear. We understand at times it can get busy, but we need to make sure the safety of everyone is paramount. This will allow safer road crossing, allow for traffic to flow past the school more freely and make sure entrances and exits are kept clear. We are able to use the bus layby, the village hall carpark as well as the pub car park at these times, so if possible, try to avoid parking in the village hall entrance or on the pavements.

Thank you for understanding in this matter.
