

Friday 8th March

THE MYDDLE MAIL

Weekly Newsletter – No. 16

IN THE NEWS

Quote of the Week

Next week, we will be introducing a '*Quote of the Week*' in school. It will be introduced at the end of Monday's worship and then shared in class everyday before the children break for lunch. When the children return to their class after lunch, we will give the children time to reflect on the quote and hold a short discussion around how the quote has been observed in action during break time.

The quote for week ahead will be shared in the Myddle Mail, so that you can also have a discussion at home around the meaning. This is next week's quote:

World Book Day

We had a great day yesterday and the children were amazing. Thank you for supporting the day and taking time to make the children look so fabulous!

SCHOOL UPDATES

Red Nose Day – Friday 15th March

On Friday 15th March, we will be acknowledging Red Nose Day at school. We are doing something funny for money and asking children (and staff) to have funny/crazy hairstyles for the day. Please be mindful that the children also have PE sessions on this day so still need to wear PE kits. In terms of a donation, this year we would like to take some food items to a local foodbank rather than collect money. If you have any canned goods or dry food items that you can spare, then please send them in with the children next Friday.

Year 6 Science Day at the Corbet

On Friday 15th March, it is also a taster day for year 6 pupils, who will be taking part in a forensic science day. Although it is also Comic Relief Day, the Corbet have requested that pupils wear **normal school uniform in line with all the other feeder schools attending – Normal hair styles too please! Girls must have long hair tied back also due to the sessions be held in the labs.**

Mrs Harris and Mrs Emerton-Maka will be attending with the children and they all will be travelling to and from the Corbet via coach within the timings of the normal school day.

★ STARS OF THE WEEK ★

This week, our star awards go to the following children:

| | | |
|----------------------|-------------------------|-----------------------------|
| Snow Leopards | Nursery: Mia | |

FRIENDS OF MYDDLE PTA PRESENTS

The Myddle Muddle

Hello,

Most of you will be aware of the Myddle Muddle a 5km, 10km and 1 mile running event hosted by the PTA to help raise funds for our school. These funds are so important to help towards school trips, educational supplies in school etc. It will also be these funds that will help us work towards efforts to up-date their playground and outdoor play facilities.

The event has always been one of the best fundraisers and I am hoping to come close to the successes of previous years organisers. However, I cannot do it without a bit more support please.

We have a great team in place made up of parents and local residents who help on the day. But we need more! We are looking for the following additional support please to help us put on this event and it would be ideal to get this from school families:

We need:

- **12 more course marshals to help direct runners and be support and communication on the course during the run**
- **Volunteers for course set up on Saturday 20th April at the school**
- **Course set up walking the course and helping secure markers etc in the 4 days leading up to the event**

If as many people as possible could spare a few hours with the above it would help make the event.

Also, if you are able to make and/or donate cakes, this will be gratefully received to help boost donations on the day at the famous cake stand.

Finally, if you want to run yourselves, then remember it's cheaper to sign up on-line and these entries will close on Sunday 14th April. All children entered for the 1 mile run can use this towards their Shropshire Schools Half Marathon event.

Please feel free to call me and discuss any details or sign yourself up to help.

Look forward to hearing from you

Rebecca Sparks - 07983 344822
