Highlights of the week

Snow Leopards

This week, Nursery have been learning more about animals and have enjoyed pretending to be on safari, moving various animals around in the tuff tray.

Panda Class

Panda class have been learning about a Tanzanian artist called Edward Tingatinga and had a go at creating their own version of some 'Tinga Tinga' artwork in his style.

Tiger Class

The children in Tiger class have also been learning about an artist. They have been looking at some of the artwork of Vincent Van Gough, On Thursday, they created their own landscape by using oil pastels to generate bold lines in his style.

Rhino Class

Rhino Class have been learning about the digestive system in science. To help them understand what happens to food after it has been eaten, the class mixed together bread and orange juice to make a paste. They then each had a go at squeezing the mixture through a pair of tights. By the sound of the laughter coming from the class, they had a great time!

Jaguar Class

This week, Jaguar class created an 'under the sea' themed piece of artwork. They used a collage technique to create the sea and then created fish for their scenes using finger painting to add texture. They then added fine details to the fish using fine tipped pens. The results were very good indeed.

Quote of the Week

After a week of sharing last week's quote each day, we were able to observe many children demonstrating more perseverance and kindness in class and around school, which has been so lovely to see.

Next week, we will be focusing on a different quote with a message about being a good role model to others. This will be introduced on Monday, but please feel free to discuss this at home over the weekend ready for the week ahead.

'A role model is someone who leads by example and inspires others to be the best version of themselves.'
