Highlights of the week

Snow Leopards

This week, Nursery have been busy exploring different textures in the tactile tray linked to their under the sea theme which included octopus shaped jelly.

Panda Class

Reception pupils have been busy this week learning through a book called, 'Barry the fish with fingers'. They have enjoyed producing accurate drawings of the character as well as generating excellent vocabulary for their sentences.

Tiger Class

In Tiger class this week, pupils have been using the 'BeeBots' as part a programming unit in computing. They all went down to the hall and created mazes out of chairs, which they had to programme their BeeBots carefully to navigate through each maze.

Rhino Class

Rhino class pupils have been busy creating their own postcards on the theme of 'My Shropshire'. These are to be entered into a countywide competition being run by the Gateway Gallery in Shrewsbury. The exhibition is called 'Mini Masterpieces' and for more information, you can click on the following link: [Mini Masterpieces](#)

All other classes in school will also be taking part in this competition.

Jaguar Class

On Monday, Jaguar class hosted a rounders match against a strong team of girls from Adcote School. The sun was shining and although the scoring from all teams was high, it was Myddle that came out as winners in both the year 5 and the year 6 matches. Well done everyone!

Quote of the Week

After a week of sharing last week's quote each day, we were able to observe many children demonstrating how to be kind to each other in class and around school, which has been so lovely to see.

After the half term break, we will be focusing on a different quote with a message about being self-regulation. This will be introduced on Monday 3rd June, but please feel free to discuss this at home ready for when we all come back to school.

This is next week's quote:

*Growing, learning and living
in the love of God*

We love because he first loved us - 1 John 4:19
